

ATCO Gas is part of the ATCO Group of Companies. ATCO Group, with more than 8,800 employees and assets of approximately \$13 billion, delivers service excellence and innovative business solutions worldwide with leading companies engaged in structures & logistics (manufacturing, logistics and noise abatement), utilities (pipelines, natural gas and electricity transmission and distribution), energy (power generation, natural gas gathering, processing, storage and liquids extraction) and technologies (business systems solutions).

ATCO Gas, an Alberta-based, province-wide natural gas distribution company, has provided Albertans with safe, reliable natural gas service for over 100 years. Today, ATCO Gas serves more than one million customers in nearly 300 Alberta communities.

ATCO Gas is headquartered in Edmonton, Alberta and has more than 60 district offices across the province. Employees live and work in the communities they serve, building, operating and maintaining an extensive network of distribution pipelines.

ATCO Gas provides service to municipal, residential, business and industrial customers. The company's core business is owning and operating a safe, reliable natural gas distribution system.

In 2011, ATCO Gas invested more than \$287 million on capital projects to enhance system integrity and reliability and ensure public safety.

- > ATCO Gas has nearly 2,000 employees living, working and volunteering in communities across Alberta.
- > ATCO Gas owns and operates more than 38,000 kilometres of distribution pipeline throughout Alberta.
- > ATCO Gas provides expert advice through ATCO EnergySense and ATCO Blue Flame Kitchen.
