

ATCO Gas is a part of the ATCO Group of Companies. Alberta-based ATCO Ltd., with more than 7,500 employees and assets of approximately \$10.0 billion, delivers service excellence and innovative business solutions worldwide with leading companies engaged in Utilities (pipelines, natural gas and electricity transmission and distribution), Energy (power generation, natural gas gathering, processing, storage and natural gas liquid extraction), Structures & Logistics (manufacturing, logistics and noise abatement) and Technologies (business systems solutions).

ATCO Gas is an Alberta based, province-wide natural gas distribution company, serving more than one million customers in nearly 300 Alberta communities.

ATCO Gas is headquartered in Edmonton, Alberta and has more than 60 district offices across the province. Employees live and work in the communities they serve; building, operating and maintaining an extensive network of distribution pipelines.

ATCO Gas provides service to municipal, residential, business and industrial customers. The company's core business is owning and operating a safe, reliable natural gas distribution system.

In 2009, ATCO Gas spent more than \$189 million on capital projects to maintain and expand its system.

> ATCO Gas has nearly 2,100 employees in Alberta

> ATCO Gas owns and operates more than 37,000 kilometres of distribution pipeline throughout Alberta

> ATCO Gas provides expert advice through ATCO EnergySense and ATCO Blue Flame Kitchen

ATCO Gas is on call 24 hours a day to respond to gas odour calls and emergencies involving natural gas.
